Primary Bank Named 2024 Top Performing Bank in New Hampshire

Bedford, NH, July 12, 2024 – Primary Bank announces they have been recognized by Capital Performance Group as one of the top-100 publicly traded banks in the United States, with assets under \$2 billion.

When compared to other publicly traded banks, the banks that made this year’s list posted stronger growth across several categories. Primary Bank is the only bank in the State of New Hampshire recognized for its performance.

“Being named one of the top performing banks in the country is a testament to the vision and leadership of Primary Bank,” stated Bill Greiner, Chairman of the Board of Directors. “Primary Bank is uniquely qualified to continue our exceptional work in supporting local businesses throughout New Hampshire. We are thrilled that Capital Performance Group has recognized our hard work.”

“Primary Bank has earned a stellar reputation for serving its clients, colleagues and community,” said Dionne. “We are honored to be recognized, and I am particularly proud of the team we have here at Primary. Local banking serves as a catalyst for local economic growth, and we remain committed to serving the financial needs of New Hampshire’s businesses.”

Capital Performance Group is a consulting firm focused exclusively on the financial services industry. They serve their clients by providing industry insights, best practices, and process facilitation. Capital Performance Group conducts the rankings analysis using data provided by S&P Global Market Intelligence. S&P Global Market Intelligence is a world-leading provider of financial information services, and they annually rank the nation’s best-performing banks and credit unions.
